

Porch Sale Participants:

This is your official packet. In your packet, you will find:

- 1 **One Yellow “Garage Sale” Sign.** On Saturday, post this in a visible location so it can be seen from down the street.
- 2 **Maps of the porch sales.** Have these available for buyers who did not download a map from the Web site. If you run out, let people know there will be extras at Tout de Suite & Aunt Leni’s.

DAY OF THE SALE: Be sure to have plenty of change on hand.

AFTER THE SALE: **Red, White and Blue Thrift**, a Veterans’ organization, will send a truck to pick up your unsold “treasures” on Monday. **The truck will stop ONLY IF you have the official “VVA” sign displayed (on the back of your Garage Sale sign.)** Please bag or box your items for easy pickup and **LEAVE THEM ON THE PORCH** to protect them from the rain that will surely fall if you don’t.

STUFF FOR HAITI

This year we have a unique opportunity to help the people of Haiti who suffered through the recent earthquake. If you have any unwanted...

- clothes
- toiletries (shampoo, new toothbrushes, soap, etc)
- shoes
- children’s clothes
- **SMALL** toys
- etc,

Elaine Langley is collecting this for a barge that will take these supplies to Haiti. Unfortunately, she has no one to come around and collect the items but if you can separate these out from the Red White and Blue Thrift pickup and **BOX OR BAG THEM** and leave them on her porch at 336 Bermuda, it would be appreciated. You can reach Elaine at 931-215-4163 or by emailing ElaineML@bellsouth.net If you would like to contribute but just can’t get it over there, please call George Hubbell at 367-6121.
